## CONFIDENTIAL

27 September 1965

MEMORANDUM FOR THE RECORD
SUBJECT: Overrun on Modulated Light Viewer Contract
On 23 September 1965, the undersigned was advised by that he expected an over- run of approximately on the modulated light viewer contract. This overrun was caused by over- simplification in their initial proposal, of the flat glass kinescope faceplate and microscope viewing problems. These items have proved to be more difficult to implement than anticipated. has informed the contract administrator of this overrun and will submit the necessary documentation as soon as possible. This memo is to serve as a record of their first verbal notification.
